Cristina joined our team in February of 2008. She is an experienced Kitchen and Bath designer with six years of continuous design service to this area. She is originally from Romania where she received a Bachelor's Degree in Mechanical Engineering and Computer Peripherals from Politehnica University in Bucharest.

She achieved #1 in Kitchen Sales for the nation while working for Lowes. She was featured on NBC's Home Improvement Time and she is the source of never ending compliments from her customers.

After you start dealing with Cristina, it does not take very long to realize how concerned she is with customer satisfaction and her ability to turn your ideas into just the exact type of finished product that you were hoping for and can be proud of. Kitchen or bath she is in the top of her field.
